

## Fields of Athenry

By a [F]lonely prison wall  
I [Bb]heard a young girl [F]call-[C7]ing  
[F]Michael they are [Bb]taking you a-[C7]way  
For you [F]stole Trevelyn's [Bb]corn  
So the [F]young might see the [C7]morn.  
Now a prison ship lies waiting in the [F]bay.

[F]Low [Bb]lie the [F]Fields of Athenry  
Where once we watched the small free birds [C7]fly.  
Our [F]love was on the [Bb]wing we had [F]dreams and songs to [C7]sing  
It's so lonely 'round the Fields of Athen-[F]ry.

By a lonely prison wall  
I [Bb]heard a young man [F]call-[C7]ing  
[F]Nothing matter [Bb]Mary when your [C7]free,  
Against the [F]famine and the [Bb]Crown  
I [F]rebelled they ran me [C7]down  
Now you must raise our child with digni-[F]ty.

[F]Low [Bb]lie the [F]Fields of Athenry  
Where once we watched the small free birds [C7]fly.  
Our [F]love was on the [Bb]wing we had [F]dreams and songs to [C7]sing  
It's so lonely 'round the Fields of Athen-[F]ry.

By a lonely harbour wall  
She [Bb]watched the last star [F]fall-[C7]ing  
As that [F]prison ship sailed [Bb]out against the [C7]sky  
Sure she'll [F]wait and hope and [Bb]pray  
For her [F]love in Botany [C7]Bay  
It's so lonely 'round the Fields of Athen-[F]ry.

[F]Low [Bb]lie the [F]Fields of Athenry  
Where once we watched the small free birds [C7]fly.  
Our [F]love was on the [Bb]wing we had [F]dreams and songs to [C7]sing  
It's so lonely 'round the Fields of Athen-[F]ry.

[F]Low [Bb]lie the [F]Fields of Athenry  
Where once we watched the small free birds [C7]fly.  
Our [F]love was on the [Bb]wing we had [F]dreams and songs to [C7]sing  
It's so lonely 'round the Fields of Athen-[F]ry  
{Slowly}[C7]It's so lonely 'round the Fields of Athen-[Bb]ry [F]
