

Snowbird - Anne Murray

Intro - First two lines

Be-(C)neath it's snowy (Em) mantle cold and (Dm) clean
The (G7) unborn grass lies waiting for its coat to turn to (C) green
The (C) snowbird sings the (Em) song he always (Dm) sings
And (G7) speaks to me of flowers that will bloom again in (C) spring

When (C) I was young my (Em) heart was young then (Dm) too
Any (G7) thing that it would tell me, that's the thing that I would (C) do
But (C) now I feel such (Em) emptiness with-(Dm)in
For the (G7) thing that I want most in life's the thing that I can't (C) win

(C) Spread your tiny (Em) wings and fly a-(Dm)way
And (G7) take the snow back with you where it came from on that (C) day
The (C) one I love for-(Em)ever is un-(Dm>true
And (G7) if I could you know that I would fly away with (C) you

The (C) breeze along the (Em) river seems to (Dm) say
That he'll (G7) only break my heart again, should I decide to (C) stay
So little (C) snowbird take me (Em) with you when you (Dm) go
To that (G7) land of gentle breezes where the peaceful waters (C) flow

(C) Spread your tiny (Em) wings and fly a-(Dm)way
And (G7) take the snow back with you where it came from on that (C) day
The (C) one I love for-(Em)ever is un-(Dm>true
And (G7) if I could you know that I would fly away with (C) you

Yeah (G7) if I could you know that I would (Dm) fly
(G7) away with (C) you (G7)(C)
